

IOP King's Cross

The Moon Adventure

Free family-friendly exhibition and events programme

Join us for a summer of physics fun as we celebrate the 50th anniversary of the first people to walk on the Moon.

Institute of Physics
37 Caledonian Road, London N1 9BU

10 July - 30 August 2019
Monday - Friday 10am - 5pm

What's it like to be an astronaut?

Where did the Moon come from?

What's the future of humans in space?

You'll find the answers to these questions (and more!) at the Institute of Physics' new family-friendly exhibition: The Moon Adventure.

Get hands-on with family friendly physics experiments, be creative with arts and crafts activities and find

out all about our closest neighbour in space. Join the Institute of Physics as

we celebrate the 50th anniversary of the Apollo 11 mission and the first people to walk on the Moon.

The exhibition will explore the physics of the Moon and the history of space travel with a season of

free activities for all to enjoy.

Your Moon Adventure doesn't end with your visit to the exhibition! Visit www.iop.org/moon for free downloads and to discover the amazing stories behind the Moon as well as to book your place at special events happening throughout the summer.

Events Programme

All events take place at the Institute of Physics (37 Caledonian Road, N1 9BU) and all events are free. If you have any questions, please contact engagement@iop.org or call **0207 470 4915**

Saturday 20 July 11am – 3pm

Family Day

Join us for a special Saturday opening of the IOP building. Visit the exhibition and take part in a drop-in creative workshop and write a postcard from the Moon.

Wednesday 31 July 12pm – 4pm

Build a Moon Village

Drop in to help build a Moon Village – bring your imaginations! Build structures and vehicles that you think humans will need to survive and thrive on the Moon, with visual artist Helen Schell.

Tuesday 13 August 11am – 12.30pm or 1.30pm – 3pm

Create a Space Comic Strip

Learn all about storytelling with comic strips with author and illustrator Sally Kindberg. Booking is required for this workshop.

Saturday 17 August 11am – 3pm

Family Day

Join us for a special Saturday opening of the IOP building. Visit the exhibition and take part in a drop-in creative workshop and contribute to a giant collaborative comic strip.

For full events information and exhibition opening times, please visit: iop.org/moon

Join us for a Moon Adventure this summer!

- Go online to download resources and join the conversation on social media
- Explore our hands-on exhibition
- Draw, write and build in our arts and crafts workshops
- Pick up activities to take home and enjoy
- Two special weekend openings (20 July and 17 August) with free activities for the whole family

Visit www.iop.org/moon to plan your visit and find out more!
